BURNS LAKE

Foundry is coming to Burns Lake!

Foundry is transforming how young people access health and social services throughout British Columbia.

Foundry Burns Lake will bring many services together under together in one location to make it easier for young people and families to find help and support.

We will offer free and confidential services for young people ages 12 to 24 who are navigating life's challenges, large and small.

Foundry centres are created for young people, by young people and their caregivers! We are currently recruiting for our Youth Advisory Committee and Parent Advisory Committee which will:

- Help inform and create the decision making process for the centre
- Inform the physical aspects of the centre, services available, etc.
- Once the centre opens, will continue to be an integral part of the team and shape youth services in Burns Lake!
