Our Principal's Message

Welcome to Summer! I hope this newsletter finds you well into a relaxing holiday mode. We are winding down here at the school, completing year end reports, and readying for the next school year which always arrives quickly. You will find some important dates later in the newsletter.

This is the time of year that we say goodbye to a number of staff. **Jenny Junkee** has been with us this year working in our resource room as a Personal Care Assistant. Her quiet, cheerful manner has been a welcome addition to our school. We wish her well. **Jody Patrick** has worked with us this year as a Learning Support Worker in the junior grades. She has been instrumental in the success of many of our students. We look forward to having a position for her here in the future. It seems that each June we say goodbye and

thank you to **Dave Eggleton**. He returned again this year to teach Physics and some junior Science. Dave has a wealth of knowledge and a breadth of experience that has strengthened our team and supported learners. It would appear that Dave will now be able to get on with some much-awaited adventures and we wish him safe travels! **Christopher Bridge** has been teaching at LDSS for the past five years. He taught a range of junior subjects and Foods before moving into the Humanities department. Most recently he has been teaching English 10 to 12. He taught and led the Entrepreneurship (YELL) students to a provincial championship. He also started the "Smash Brothers" gaming club. Mr. Bridge's greatest contribution has been his connections with learners of varying personalities and abilities. He will be missed, and we wish him well in his move to Prince George.

TAKE TIME TO RECHARGE. YOU DO IT FOR YOUR
PHONE, WHY NOT DO IT FOR YOURSELF?
