SAMPLE LETTER OF INTENT

Ms. Jane Doe
Box 418
Burns Lake, BC
VOJ 1E0

To Whom It May Concern:

RE: Canadian Union of Public Employees, Local 4177

I am a student at Lakes District Secondary School and am working on the completion of my grade twelve diploma. I am writing in regards to the bursary noted above.

After completing grade twelve, I plan to attend the University of Victoria. Some of the classes I am now enrolled in are English 12, Literature 12 and Math 12. I believe they will assist me in my first year courses at university. Throughout my high school years, I have maintained a position on the honor roll.

Past experiences have proven to me that achieving a higher level of education is the only way to be successful in future endeavors. With the goal of post-secondary education in mind, I have held various part-time jobs. I began working at the age of thirteen for MacDonald's Restaurants in Whitehorse, Yukon. After having moving to Burns Lake, I worked at Rexall Drugs. In the summer of 2005, I began working at Burns Lake Community Services on a one-to-one basis with a mentally challenged ten year old boy. At the same time, I was also employed part time at the local Laundromat, a position I currently hold.

I have been active in sports. For the past three years, I have been on the Burns Lake Girls' Soccer Team and have competed at the zone level, as well as the provincial level. I also enjoy baseball, volleyball, swimming, figure skating and cross-country skiing.

Thank you in advance for your consideration of my application. I look forward to your reply.

Sincerely yours,

Jane Doe
