CNC Prince George

On March 7, 20 students from Grade 10-12 will have an opportunity to travel to Prince George and receive a tour of the trades building as well as other wonderful programs available at CNC. I am also trying to see if we can get another tour at the All West Glass Factory. Priority will be given to students in Grades 11 and 12.

Departure time is 7:15am at LDSS and return time is approximately 7pm.

I will be driving the mini-bus.

Please sign below if you would to give permission for your student to participate.

Items to bring: money for food, winter jackets for the bus (in case of an emergency).

School District No. 91 (Nechako Lakes) policy states that the school needs to inform you that all school rules apply (i.e. no smoking, vaping, drinking, use of drugs, etc.)

If, at any time, on this trip your child is found to be breaking school rules or specific rules regarding this trip, they may have consequences upon their return to school.
